HELLO!

My name is Joe, a Freelance Visual Designer with over five years experience in Identity & Branding Management, Web Design, Print and Motion Graphics.

I spent time as the Graphic & Web Designer, and Social Media Marketing Team Member for the E-commerce site BarProducts.Com, completed a Motion Graphics Internship with the Tampa Bay Lightning, and have spent the last year designing Wordpress websites specifically for attorneys and small businesses.

I am based in Brooklyn, NY, currently working freelance, and I am available full time. If you have any questions, please do not hesitate to ask.
